### Main characteristics/features

Sarawak umai is a traditional food of the Melanau people. It is also known as 'Sarawak sushi' because the fish is eaten raw.

### Geographical area

The geographical area is located in Sarawak.

### Production and processing

Sarawak umai is very popular, especially among people living by the sea, as it is made from fresh fish. The sliced fresh fish is mixed with lime juice, red onion, garlic and salt and it is normally eaten in the afternoon.

### Link between product and territory

The fish to make umai comes from the waters of Sarawak.

Sarawak umai has a wide reputation.
